

## North Pole Musical

*Listen!* Everybody here,  
it's time for joy and it's time for cheer.

Way up North, the fun won't stop,  
'cause once a year you're at the top.  
We're feelin' great. We just can't wait.  
We've got a reason to celebrate!

Our friends are here, and we're feelin' fine.

North Pole Musical.

Tonight's the night we've come to shine.

North Pole Musical.

Christmas season's just begun,  
Ev'ryone is havin' fun. Dance in the dark 'cause there's no sun!

North Pole Musical.

*Come on!* Take a train or plane.  
Sit back, relax and we'll entertain.  
Hit us with your "oohs and ahhs"  
and save applause for Santa Claus.  
So pack your sleigh and get away.  
The Pole is rockin' this holiday!
