

STUDENT-LED CONFERENCES

Tuesday, April 7, 2015

Dear Parents/Guardians,

Student-Led Conferences are approaching quickly. They are scheduled for Monday, April 13th and Tuesday, April 14th. Student-Led Conferences are an informal report that allows students to show parents and guardians some of the things they are proud of and to have the students demonstrate a few of the routines we have at school.

Students will be dismissed at 2:00 pm on both Monday, April 13th and Tuesday, April 14th to allow for scheduled conferences.

There is a schedule listed below that breaks the conference times into 30 minute blocks. Students will be leading the conference, so I can schedule up to four families per time slot. Please list your 1st, 2nd & 3rd choices for times. I will try and accommodate 1st choices as best as I can.

Please return your choices by this **Thursday, April 9th**. I will send home a list of the confirmed times Friday, April 10th.

Thanks,
Mr. Ogren
